

# WINE LIST

This list is tailored to capture the diversity in terroir and techniques across the world.

Our vision is to create a list which showcases iconic producers, whilst maintaining a balance with smaller wineries who actually produce world class wine without the huge labels.

Many of the wines are chosen with Rob's food in mind, so we would love to suggest wines to you and tell you some of the stories behind our decisions.

## Nyetimber - Champagne Method

Here at Hampton Manor we have a great sensitivity to the provenence and quality of the produce we work with, and is one of the many reasons we have chosen to work with Nyetimber and showcase it by the glass.

We feel this truly reflects ourselves as both being quintessentially English as well as the best quality. We have carefully chosen an exceptional product to suit our environment and champion the up and coming English sparkling wine scene.
