Co-ordinating your guests:

We have an on-the-day co-ordinator to usher your guests from place to place and facilitate your timings.

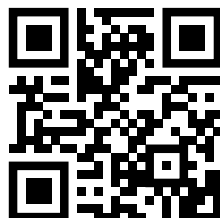

To announce your guests into the Courtyard for your wedding meal or to announce speeches, either we can do it or you can nominate someone in your family/bridal party to do it. For Courtyard entry, we can play a soundtrack for you on Spotify and can agree this at your final details meeting in March. For ceremony entry, we do ask one of your bridal or groom party to start the music track, if required, as our host will be looking after the aisle entry.

External suppliers:

We require all external suppliers to provide a public liability certificate of £1.5 million before they are allowed on estate.
We do not accept external food suppliers apart from icecream.
